Vision

It has been the utmost priority of the institution to educate meritorious students without means by providing an educational environment equipped to inspire achievement in an advanced academic and professional platform.

Mission

Based on the institutional vision the college has strived to groom every student associated with the institution and through them the larger part of the community into disciplined and responsible citizens of the nation.

From the Principal's Desk

Annual report, 2019-20 made by the IQAC is found to be a full representation of the college in a year. It mirrors the real image of the college –its teaching – learning, research, seminar, conferences, infrastructural development especially shifting of office and library –all together an academic ambience which attracts more Students to join different courses at Mankar College. We do hope this increasing students' strength will be continued in near future.
