## INVITATION

It is our immense pleasure to inform you that Department of Computer Science of our college in collaboration with Career Guidance Cell, Mankar College is going to organize International webinar on the topic entitled **"Latest Technology Trends in Software Industry"** on 26<sup>th</sup> June, 2021. The speaker will talk about some of the current trends in the software based industry. He will also explain why these topics will continue to remain relevant in coming years and also provide some pointers to start mastering these topics. Usually these topics are not covered during a degree program in an undergraduate college, but the software industry has more or less adopted these topics. By being aware of what is happening in industry, a student can start learning a few of them on their own while pursuing their computer science degree.

We, therefore, extend our invitation to you and members of your esteemed College / University / Institution / Department to participate in the webinar. We hope your presence and participation will make the occasion more valuable, meaningful and thought provoking.

**Prof.(Dr.) Sukanta Bhattacharyya**  
Chief Patron  
Principal, Mankar College  
Mankar

**Kunal Kumar Mandal**  
Joint Convenor  
Assistant Professor  
Dept. of Computer Science
