Notice

This is to inform all concerned students who have successfully qualified in the first round of interviews with ICICI Bank and AXIS Bank, as part of the placement drive organized by the Career Counselling Cell of Mankar College. The next round of interviews will be conducted by the banks in small batches at their respective locations. Students will be contacted directly by the banks with details regarding the date and venue of the interviews. Students are advised to follow the instructions provided by the banks.

Additionally, it has come to our attention that many students selected by SBI Card are hesitant to join the company due to job locations being outside their home district. Currently, the company has vacancies in Kolkata and Purulia districts. Therefore, students willing to work in these two locations are advised to join the company.
