Notice

This is for the information of all concerned, a two-month certificate course on "English Communication and IT Essentials" will be organized by the Career Counseling Cell in collaboration with Anudip Foundation. The course will commence on March 10, 2025, with classes held twice a week—one day at the college and the other at Anudip's Durgapur center. Job assistance will be given to deserving candidates after completion of the course.

Eligible participants include final-year students (6th semester) and graduates from the last three years. Interested students must complete the Google form by March 5, 2025 to apply.
